

Complete fingertip touch...

**to full
mitten warmth
in less than a second.**

Tempo®

The warmth of a mitten with finger tip touch.

Only the Fingermit gives you both.

Slip into its snug warmth. Experience the freedom of full dexterity and total fingertip touch in a single split-second move. Now hit the road, field, woods, lake or job with the only mitten made for those who can't sacrifice action to the cold. The rest is left to you.

THE FINGERMIT®
